## FIELD & TRIAL WET FOOD RANGE

Our eco-friendly, compact cartons contain 390g of wet food – the same amount as a standard size can, tray or pouch! They help us reduce our plastic waste and our carbon footprint. Plus, they keep our foods fresher for longer.

100% natural ingredients, Grain free recipe, Gentle digestion, Ideal as a 'topper' or a complete food

## **FIELD & TRIAL TREAT RANGE**

Our new treat packaging is 100% recyclable, plastic free & compostable. Simply recycle with your paper waste once your dog has enjoyed all the delicious treats!

British made, Hand-baked by real bakers, locally sourced natural ingredients.

Please do not hesitate to contact me for further information.
